EDUCATION

Ph.D. Aerospace Engineering, University of Maryland, College Park, 2025

M.Res. Aeronautical Engineering, University of Cambridge, 2019

B.S. Mechanical Engineering, New York University, Tandon School of Engineering, 2018

RESEARCH EXPERIENCE

2025– High-Speed Aerodynamics and Propulsion Laboratory (HAPL)
University of Maryland, College Park
Postdoctoral Associate, Department of Aerospace Engineering

2020–25 Separated and Transient Aerodynamics Laboratory (STAL)
University of Maryland, College Park
Graduate Research Assistant, Department of Aerospace Engineering
Thesis: "Gust encounter flow physics with applications to flow sensing and control"
Advisor: Dr. Anya Jones

2024 NASA Goddard Space Flight Center
University Space Research Association (USRA) Intern

2021–24 NATO Applied Vehicle Technology (AVT) Panel
AVT–347: Large-amplitude gust mitigation strategies for rigid wings
Technical Team Member

2018–19 Whittle Laboratory
University of Cambridge
Graduate Research Assistant
Thesis: "Prediction of Low Frequency Thermoacoustic Instabilities"

2016–18 Dynamical Systems Laboratory
New York University, Tandon School of Engineering
Undergraduate Researcher

TRAINING

2022 Particle Image Velocimetry
Burgers Program for Fluid Dynamics
Delft University of Technology, Netherlands, October 10-14 2022

2019 Combustion Aerodynamics and Technical Computing
National Centre for Combustion and Aerothermal Technology
Loughborough University, United Kingdom, January 2019

2019 Combustion-Turbine Interaction and Integration
Oxford Thermofluids Institute
Oxford University, United Kingdom, March 2019

2019 Compressor Stall
Whittle Laboratory
Cambridge University, United Kingdom, February 2019

GRANTS AND AWARDS

Awards and Honors

2023 Clark Doctoral Fellows Mid-Career Award

2023 Outstanding Graduate Assistant Award

2017 Undergraduate Student Research Fellowship

2014–18 Tandon Scholarship of Academic Merit

COURSES TAUGHT

University of Maryland, College Park

Dynamics of Aerospace Systems (Teaching Assistant)

Aerodynamics (Teaching Assistant)

MEMBERSHIPS

The American Institute of Aeronautics and Astronautics

American Physical Society Division of Fluid Dynamics

Updated February 2025
